

## **Tata Power SED wins order for supply of night vision to BSF**

*New Delhi, May 02, 2016*

Tata Power's Strategic Engineering Division (Tata Power SEP) has won an order from Border Security Force for supply of night vision hand-held thermal imagers.

BSF is using hand held thermal imaging systems and has selected through a global tender, Tata Power SED's Rajak TBC DN-1 multifunction thermal imager after extensive field trials, the company said in a statement.

However, the company did not disclose financial details of the order.
